

MiFID II Information

RP Martin Stockholm's status under MiFID II

RP Martin Stockholm is an institutional fixed income broker. We do not execute client orders against own book in any way or to any degree. We are not to be considered an systematic internaliser (SI) under MiFID II. Our trading activity is periodically controlled with regards to internalisation to ensure that our status is in accordance with the regulatory regime. RP Martin Stockholm is classified as an Investment Firm under MiFID II.

Post-trade reporting under MiFID II

All post-trade reporting is done via the EURONEXT Saturn APA and all transaction (end-of-day) reporting is done directly to Finansinspektionen (Swedish regulator).

LEI Code

RP Martin Stockholm LEI Code is:
213800U7ICAYOULAKM19
